LETTER FROM THE PRESIDENT

What a year, November already, Christmas around the corner.

We have had an exciting year, new TVs in the members room, flooring, painting in the Bistro, things are starting to happen and in time more to come.

Our Gala Night in August was a great success raising \$54000 which has been donated to the Monash children's Hospital and we are going to have another Gala Night in 2025. August 30 keep that date free and put in your diary.

If you have any ideas for things you would like to happen in 2025 let us know, (Sorry Saturday night entertainment is not being considered at this stage).

We have been busy taking our veterans out for day trips to various venues followed by lunch, our last day out was the Banjul place very nice and an enjoyable day.

Springvale RSL have 62 veteran members but only a small number take up our day trips, we would like to see more come along. These veteran day activities are free to veterans and their companion.

Springvale RSL also have a Pool club, Darts and a fishing club new members would be welcomed, these clubs are here for you to get involved and enjoy.

2024 has been enjoyable year and let's look forward to a better 2025.

John Wilson

MANAGER'S REPORT

Hello to all Members and Guests,

We've got some busy months ahead with a few exciting events planned including entertainment and dinner on Melbourne Cup Eve as well as our Street Food Night on December 14th. As always make sure to book in early as these events are sure to book out.

Some changes starting in November, in order to keep our prices down we've had to change our offerings. Please see the following.

Tuesday night Parma deal will no longer be including the pot of beer, the price will be staying at \$15 for members, and we have added a new price point of \$17 for guests.

Steak Night Wednesday's deal will no longer be including the buy one get one free offer, the price will be staying at \$20 for members, and we have added a new price point of \$22 for guests.

Happy Hour will be staying at the same price point; however it will only be available to members. To be eligible for the deal, you must have your membership card available when ordering drinks at the bar.

These are still highly competitive offerings with a bigger emphasis on the value of being a club member!

We hope to see you down at the club!

Warm Regards,

Sasa Mucibabic

WELFARE REPORT

The Welfare Office has had a couple of busy months; working with both the Clayton and Springvale RSL has given us the numbers necessary to introduce some veteran programs which have been well attended.

On Tuesday 27th of August we held an information session on Home Care services and what can be accessed by members living in their own home who feel they may need some home services put in place. I will endeavour to introduce further sessions in the coming months to give members a greater understanding of the home services that are available in the community.

The weekly Balance and Mobility sessions held every Tuesday morning in the Clayton RSL Function Room from 10.15 a.m. until 11.00 a.m. have been well attended, though I must say Springvale Members are letting the team down as the majority of attendees are Clayton members.

This is a free program funded jointly by Clayton and Springvale RSL's so why not come along and give it a try. You will be warmly welcomed and you might find you actually enjoy it and get some benefit from the exercises. This weekly session is now followed by coffee and cake afterwards which gives the participants the opportunity to have a chat and catch up before continuing on with their day.

Our Key Safe Program continues to grow, a number of veterans and widows have now had these installed and registered with Ambulance Victoria. This program is for any veteran or war widow over the age of 80 years who is living alone and suffers from ill health. If you think you would benefit from one, please contact me at the sub-branch.

WELFARE REPORT (CONTINUED)

Smoke Detector Program continues – batteries are replaced annually by one of our volunteers, this is for veterans or war widows living alone with no family support.

Home visits are conducted by one of our volunteers to socially isolated veterans and war widows living alone or with limited family support. If you or anyone you know might benefit from a home visit, please let me know.

Noble Park Pensions Office have been kept busy with enquiries from veterans wanting information about a White card. This is sometimes confused with the Victorian Government's Veteran card which is a discount card available to service members. Visit Veterans Card-Victoria on the Service Victoria webpage for more information. The DVA white card is for veterans with an accepted war related injury. Further enquiries can be made through DVA.

Anyone requiring more information or details on the above activities, please contact Janet on Tuesday, Wednesday or Thursday between 10.00 am and 4.00 pm on 9562 4104.
